Cashless Facility

M.V.Hospital for Diabetes, an ISO 9001: 2008 certified hospital has tied-up with all major national medical insurance companies to offer cashless facility to you.

All you need to do is to inform us about your medical insurance company and Xerox copy of your medi-claim card, ID proof (Pan Card, passport etc) and age proof at our reception desk and rest is taken care of by us.

You can get an excellent treatment without any payment.

Kindly note: The process of cashless treatment, inclusions, exclusions and co-payment issues will depend on the terms and conditions of policy offered to you by your insurance providers.
