

Prof. M. Viswanathan DRC National Research Grant

for Research in Diabetology

(2009-2011)

Prof. M. Viswanathan DRC National Research Endowment was established in 1996 by Diabetes Research Centre in order to stimulate research in Diabetology. The grant is for projects in basic, clinical or applied research in Diabetology.

Diabetes Research Centre has planned to grant Rs. Two Lakhs, spread over two years to the selected research proposal. An initial amount of Rs.50,000 will be disbursed at the time of initiation of the project and further disbursement will be based on achievement of milestones to be decided at the time of sanction of the Grant. The project report should be properly acknowledged and send for publication with the permission from members of the Research Board.

Eligibility:

This grant is meant for Scientists or Doctors working in any University or Institutions.

Guidelines to apply for the grant:

Applicants should submit 3 copies of their research proposal with relevant details along with a covering letter, complete CV, Details of publication and recommendation of the Head of the Department. A Demand Draft for Rs.300 in favour of the **Diabetes Research Centre Foundation** towards processing fees must be submitted along with application. All applications will be assessed by a panel and selection will be based on the decision made by the panel.

Scientists and Researchers in this field interested in applying for this grant may write to the Director, Diabetes Research Centre for the necessary details:
